CARVER HIGH SCHOOL

We are back again with the Carver Highlights after such an enjoyable Easter vacation. We are now entering the home stretch of this school year.

The Seniors were very glad to return from Easter holidays and find almost all their Yearbook material received. It really does look artistic!

All the students of the 10th grade are studying a little harder for the six weeks' examinations. We all want good grades because we have learned that good grades help to determine our future jobs in life.

At the last assembly before the holidays, medals were received for the basketball champions. They were the Tenth Graders. A medal was also awarded to Curtis Whittey, a seventh grader, for being the most promising future basketball player. An outstanding tenth grader who made the highest points for the season was Warren Minnifield, who received an individual medal. The awards were made by Principal J. T. Butler.

The Seniors sponsored a "Treasure Hunt" which was a chicken. It was successful. Miss Hicks, our librarian, found the ticket and won the chicken.

The Student Council's first 'Council Frolic' was on last Wednesday evening. It was entertaining. We participated in various games and dancing. Refreshments were served. We are looking forward to these parties twice a month.

Delegates from the Student Council will serve at the State Student Council Convention at Armstrong High School in Richmond, Virginia, tomorrow, April 15. The Committee is as follows: Serinia Christian, Time and Place; Martha Trent, Nomination; Norrald Watkins, Constitution; Gertrude Mickle, Program; Deaster Johnson, Resolutions.

The Senior Class took a historical trip to the Appomattox Surrender Grounds on April 12, under the direction of our History Teacher, Mr. J. H. Clay. The Dedication on April 9th, we have been hearing quite a lot about.

The Senior's Educational trip to Washington has definitely been planned. We will spend several days visiting educational sights. We hope this trip will be enjoyable, educational and successful.

The Glee Club, Seniors, N. F. A. Quartet, and Dance Group, are practicing these days for their trip to R. R. Moton School on next Monday. They'll be the "Rockets," and the "King Coles" on that date. In exchange, the Farmville High School will present a program for us on April 28.

Didn't our 4-H members, Glee Club, and Quartet sound excellent over Station WLVA last Saturday? All who heard it have made very complimentary remarks. All we need is the opportunity to show what we can do. With the assistance of the County Agent, all of this program was worked out by the members. Mr. Eric Lund complimented them all on the timing and the smoothness of the entire program. Let's hear more of this.

Please study hard so that we may deserve our new building this fall.

Our closing thought this week is: "Unto every one that hath shall be given, and he shall have abundance: but from him that hath not shall be taken away even that which he hath."

Missing patrol plane may have been in alleged encounter with Reds.

Be on hand Sunday by 1:00 P. M. if you want to be sure of seeing and hearing the bands open the Dedication program.

HAS your home grown in value? Has it outgrown your Fire insurance? Let us check your needs.

212.61 Bushels Per Acre with WOOD'S V-50

T. EARL STARKE, farm manager of Upper Brandon, Prince George Co., Virginia, was awarded the $100.00 prize by Governor Battle for making 212.61 bushels of corn per acre. This is an all-time record for any state in the 100 Bushel Corn Club. He planted WOOD'S V-50, which is recommended by V.P.I. for Southern Piedmont and Eastern Virginia, where it has outyielded all yellow corn for 3 years in all experiment station tests.

You may beat this record by planting WOOD'S V-51 Yellow Dent, a new improvement on V-50. It makes higher yields and is more resistant to storms, insects and disease, particularly stalk rot, which causes so much damage to corn in the South. V-51 responds better to closer planting and heavier fertilization than other hybrids. It has sounder ears, deeper golden color and higher feeding value.

Prices Postpaid — V-50 and V-51: Bu. $11.00; ½ Bu. $6.10; Pk. $3.30; ½ Pk. $1.85.

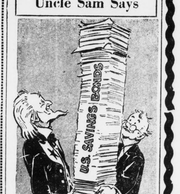
Uncle Sam Says



The American People have bought 1,275,000,000 individual E Savings Bonds since they were first offered in May, 1941. Every one of these Savings Bonds is guaranteed by your government and returns to you $4 for every $3 invested within ten years time. Have you ever stopped to consider where the help came from to assist the Treasury Department build this greatest sales record in history? It was done with the assistance of some 2,000,000 volunteer workers, all Americans ready to help their country. So to this wonderful volunteer army you and I owe a lot. Why don't you join them in the big Savings Bonds Independence Drive starting May 1?
